

## **Society by-laws (rules)**

These By-Laws are issued in accordance with the Constitution & must be obeyed. Membership for coarse fishing Members will be from 1<sup>st</sup> April to 31<sup>st</sup> March in the following year.

The Society accepts no liability for loss, damage or injury to Members or their property which may occur on Society Waters, any activity pursued on Society Waters is at the Members own risk.

These rules are subject to amendment at short notice if required by the best interest of the Society. The latest version of these rules can be found by visiting the Societies web site, [www.hwas.co.uk](http://www.hwas.co.uk)

The Society operates a **ZERO TOLERANCE** policy with regard to litter. Please take your litter home with you & dispose of it responsibly.

All visitors to Church Farm must be in possession of a valid permit before entering the venue.

### **Work parties**

Notification of work parties will be posted on our website ([hwasfishing.co.uk](http://hwasfishing.co.uk)) and on our Members FaceBook page (<https://www.facebook.com/groups/174144779309799>).

Notification will include date, time & venue.

Please be aware that when work parties are in progress you may be asked to vacate your chosen swim to allow works to be completed.

## **General Rules**

1. Wives/Partners of Senior Members are allowed to fish with the Senior Member in the same swim provided that a maximum of two rods (one each) is used.
2. A child under the age of 12 years may fish for free when accompanying an adult member provided that both fish in the same swim & that a maximum of two rods (one each) is used.
3. Junior members under 14 must be accompanied by an adult at all times. Over 14's are permitted unaccompanied except for night fishing, for further details see night fishing section.

## **General Behaviour**

- 1 All Members will at all times when fishing or visiting all waters and venues, behave in a manner that will not give offence to riparian owners, other members, or the general public.
- 2 The executive committee strongly recommend that members follow the National Water Sports Code and the Country Code.
- 3 In addition to the Society's byelaws, members will comply with any other byelaws imposed on the Society e.g. Environmental Agency, Forestry Commission.
- 4 Any member fishing any other Society's waters must comply with their rules.
- 5 No consumption of alcohol or illicit substances allowed.
- 6 Swims designated as disabled are given special priority for wheelchair users. Members using one of these swims must vacate if requested to by a disabled member using a wheelchair.

## **Fishing times**

- 1 Members are not permitted to fish or to be on any venue at any time between 1 hour after sunset & 1 hour before sunrise except where night fishing is allowed. Where night fishing is allowed Members must be in possession of a valid Night Fishing Permit to remain on the venue between 1 hour after sunset & 1 hour before sunrise.
- 2 The close season applies between 15 March and 15 June (inclusive) on the society's river stretches, Yateley Common (Wyndhams Pool & Hospital Pond) and the Basingstoke canal.

## **Bank Side Rules**

- 1 All Members must, at all times when fishing or visiting Society waters, be in possession of a valid Society Permit/Rulebook and an Environment Agency Rod Licence. These must be shown to any other Member, Bailiff or Officer of the Society or any Riparian Owner or his Representative upon request. Failure to produce a valid permit may result in the angler being requested to leave the venue.
- 2 Members must confine themselves to fishing the designated areas and gain access to these areas via designated routes. Where gates/locks are in use these must be re-closed/re-locked upon entry or exit.
- 3 Where parking is provided Members shall at all times park their vehicles in such a manner as to not cause obstruction or inconvenience to others. The Society accepts no liability for damage to vehicles parked at Society waters.
- 4 Members may use rod & line only and must not fish by any other means or use any net other than a landing net or keep net to help land or retain fish hooked with rod & line.
- 5 When fishing with multiple rods the rods must be positioned such that the distance between any two rod butts does not exceed three metres.
- 6 A Marker Rod or Spod Rod without a hook may be used but must be withdrawn after casting & baiting of the swim is completed. These are not counted when assessing the number of rods used above.
- 7 Members are permitted to use a maximum of 2 rods from April 1st to September 30th. From October 1st to March 31st members are permitted to use 3 rods. This is exclusive of any marker & spod rods. With the exception of Lakeside where 3 rods can be fished all year.
- 8 Surface fishing with floating baits is allowed with one rod only. The rod must never be left unattended or interfere with other anglers, waterfowl, swans or other wildlife.
- 9 All fish landed must be returned to the water as soon as possible.
- 10 Adequately sized landing nets and unhooking mats must be carried and used. When fishing for carp a landing net of 40" minimum and unhooking mat measuring a minimum of 24" x 36" must be used.
- 11 Carp anglers are advised to carry carp care kits.
- 12 No rod & line may be left unattended with a baited hook either in or out of the water. No member may leave their swim unattended for more than 60 minutes.
- 13 No bent hook rigs may be used.
- 14 No permanently fixed leads or feeders larger than 1oz (28g) may be used.
- 15 No multiple hook systems (eg pennell rigs etc) may be used.
- 16 Only fishing from the bank is allowed on Society waters. Under no circumstances is fishing allowed from boats, rafts or islands.
- 17 The lighting of fires or camping is not allowed on Society waters. Portable cooking stoves may be used. Disposable barbecues may not be used.

- 18 The use of fishing shelters is allowed on Society waters except where prohibited by Local Bylaws. The shelter must fit within the swim without obstructing pathways or causing nuisance to others.  
(See website for details on each of our waters)
- 19 Hooks used must be single only & barbless except at Church Farm where hooks larger than size 14 must be micro barbed.
- 20 Members may take dogs onto Society waters unless precluded by terms of the lease or other local bylaws. Members must exercise proper control at all times and not allow dogs to interfere with or cause nuisance to other Members or members of the public. Members shall be responsible for any loss, damage, injury or nuisance caused by dogs they bring on to Society waters. All fouling must be collected immediately and removed.
- 21 Wading is not permitted on any of the Society's lakes.
- 22 Members must not cause damage to any vegetation, trees, fences, gates or any other structure on Society waters.
- 23 Members will be responsible for the cleanliness of the bank & water margin in the immediate vicinity of where they decide to fish up to a distance of 5 metres from the point of fishing. Members will ensure the area is clean before starting to fish and upon completion of fishing.
- 24 Members must not commit any act while on Society waters that causes interference or annoyance to other Members, neighbours or members of the public.
- 25 **"Your Water"** – All members are requested to use sense when fishing their chosen swim. Wherever there is doubt due to swims being close by, your water is classed as the water in front of you and no further than half out towards the next visible swim(s)

We would also suggest discussing what "your water" is upon arrival with other anglers that may be fishing close by, this helps avoid confrontational situations.

Casting out in over other anglers' lines will not be tolerated.

### **Closure of Waters**

1. When a match is booked to take place on a Society water then that water will be closed from 10pm the night before and until 30 minutes after the finish of the match.
2. Details of matches will be published on the HWAS website and/or Facebook pages.
3. Society waters may be closed at short notice where essential work is required for safety reasons or for fish conservation requirements. On occasions only partial closure is required.
4. During spring lakes are likely to be closed for a number of weeks at a time at short notice due to spawning. Fish safety must come first.

Warning notices will be displayed accordingly and information can be found on the HWAS website and Facebook pages

### **Movement of Fish**

1. No fish or spawn, dead or alive, may be removed from or introduced to any Society water. Similarly, no fish or spawn, dead or alive may be moved from any Society water to any other Society water.
2. Where it is necessary to remove, introduce or move fish between Society waters for reasons of fishery management then it will be carried out only by authorised Fishery Management or authorised Committee personnel.

## Keep Nets

1. With the exception of Barbel, Pike or Carp (not including Crucian Carp), fish may be retained in keep nets. If fish are to be kept in keep nets then TWO KEEP NETS ARE REQUIRED, one for silver fish (Roach, Bream, Rudd) under 2lbs and a second for any fish over 2lbs. This is help protect against scale loss & crushing when returning fish to the water.
2. Keep nets must be constructed of knotless mesh and have a minimum length of 8 feet and minimum diameter of 18 inches. Fish may not be retained by any other method including sacks, stringers or tubes.
3. When returning fish to the water they are not to be allowed to tumble down the net. Either lift the bottom end only out of the water and let the fish swim down to the top ring whilst gathering the net behind them, or alternatively lift the front of the net out of the water slowly so that the fish are gathered in the bottom two sections, the bottom part should then be pulled through the inside of the keep net and the fish returned to the water. Members should minimise the length of time that fish are retained and under no circumstances should this time exceed 6 hours.
4. Bailiffs and Officers of the Society have the authority to inspect nets at any time and may, at their discretion, instruct any Member to release fish should they believe that any stress to the fish is being caused. In exceptional circumstances Bailiffs or Officers of the Society may temporarily ban the use of keep nets and this is usually with the authority of the Executive Committee.
5. Certain minor (temporary) amendments to paragraph 1 above may be authorised for Society matches at the discretion of the Match Secretary. Any such amendments will remain in force only for the duration of the match.
6. Members should air dry all nets after each use.

## Fish Conservation

1. The use of unhooking mats/cradles is compulsory. Under no circumstances are fish to be placed directly onto the bank.
2. Fish must only be weighed in a wet weigh sling. Fish must not be weighed in plastic bags
3. The use of sacks for fish retention is prohibited on all Society waters (see Keep Nets para 2).
4. Carp may be retained for a maximum of 20 minutes before release. All unhooking, weighing, photography, treatment application & release must be completed within this time.

**PLEASE NOTE THAT ALL "SELF HOOKING" RIGS ARE BANNED UNDER ENVIRONMENT AGENCY LOCAL BYLAWS.**

## Disease Prevention

1. All tackle including nets, slings, mats & cradles must be completely dry before arrival at any HWAS venue.

## Bait Boats

1. Bait boats are allowed on some Society still waters, details can be found by visiting the Society's web site.
2. Members using bait boats must ensure that lines are not deployed into areas where fish are likely to become tethered (e.g. into snags or other known underwater obstacles).
3. Members using bait boats must ensure that their use does not interfere with the fishing of other Members, generally accepted bank side etiquette should be followed at all times.

## Night Fishing

The following additional rules are specific to night fishing and apply to all Members, Bailiffs and Officers of the Society. Failure to abide by these rules shall result in the loss of night fishing privileges and may incur disciplinary action.

1. Night fishing is restricted to Church Farm, Lakeside Park and Yateley Common Lakes (Wyndhams Pool and Hospital Pond)
2. Night fishing at Church Farm must be booked in advance through the online booking system & is only available to Members who hold a Night Permit. A maximum of 3 nights may be booked at any one time and may not be booked more than 7 days in advance. In the event that 3 nights are booked then all 3 nights must have been completed, or cancelled, before any additional nights can be booked. Night fishing is not permitted without a booking confirmation which must be shown to a Bailiff on request.

Once a booking has been made then it must be fulfilled or, alternatively, cancelled in advance. Bookings may be placed or cancelled any time up to 19:00 on the day of the booking. Failure to fulfil or cancel a booking may result in disciplinary action.

Failure to comply with this booking procedure may result in being asked to leave the venue and disciplinary action may be taken.

3. A maximum of 20 anglers are permitted at Church Farm per night.
4. Member's must arrive no earlier than 1 hour before sunrise and no later than 1 hour after sunset from October 1st to March 31st and from April 1st to September 30th no earlier than 1/2 hour before sunrise and no later than 20:00 hours
5. Noise levels are to be kept to a minimum.
6. Bite alarms & mobile phones are to be set to low volume only.
7. Torches & lights, etc, are to be used discretely so as not to cause a nuisance to other Members or neighbouring residents.
8. Age of eligibility and restrictions
  - a) Members must be a minimum of 18 years of age to be eligible for a Night Permit.
  - b) Members under 18 years of age may night fish, without a Night Permit, provided that all the following conditions are met;
    - i) They are accompanied & supervised by their parent or legal guardian.
    - ii) Their parent or legal guardian is a Member over 18 years of age.
    - iii) In the case of Church Farm their parent or legal guardian must have a valid Night Permit.
    - iv) They must occupy the same swim as their parent or legal guardian or a swim immediately adjacent to that occupied by their parent or legal guardian. In the case that an adjacent swim is used, then that adjacent swim shall be close enough to that of the parent/legal guardian that appropriate supervision shall be reasonably practicable. In the case of any doubt then advice shall be sought from the Head Bailiff.
    - v) They are registered on the online booking system and they have made a booking in line with the rules & instructions contained herein.
  - c) The parent or legal guardian accompanying the Member while night fishing shall be solely responsible for the conduct and welfare of the Member and shall be liable to disciplinary action for any breach of the Society Bye-Laws or Constitution by the Member.
